We highly recommend that you bring your dog's regular food while he/she is staying with us. If you decide that you would like us to feed our house food (Natural Balance) to your dog, we can do so for an additional \$2 per day, per dog. Please note that an abrupt change in diet can cause upset stomach, vomiting, and diarrhea.

We do allow you to bring your dog's toys or bedding while he/she stays with us. Just know we cannot guarantee the condition they come home in.

We do not allow any visitors during your dog's stay with us. We are happy to send photo/video updates via email to you at your request. If you would like e-mail updates, please provide us your email address(es)

I certify that the above information is correct to the best of my knowledge. I understand that this information, along with additional information collected on any additional applications will be used to determine the best placement, if any for my dog.
